SIMINO E-BIKE FUN AND FUNCTIONAL

Wuyi Simino Industry and Trade Co., Ltd. was established in 2009 with location in Wuyi, Jinhua City, Zhejiang Province occupying more than 10000 square meters.

We are a professional manufacturer engaged in the research and development, production, sales and service of high quality electric bicycles. We have advanced facilities of electric bicycle assembly line and ebike conversion kits line with annual output at 30000 units.

Simino ebikes have been exported to more than 50 countries all over the world and winning good reputation for reliable quality, competitive prices and comfortable after-sales service. Simino skilled team use the most advanced technology to improve product quality constantly. All ebikes from Simino are granted for 2 years warranty, and most customers riding Simino ebikes are greatly satisfied with our quality and service. We have EN15194, EN14764, and TUV certificate issued by European Commission.

In order to keep up with market and show our products to more potential customers, we attend various exhibition and fairs every year, such as the Frankfurt Europe Bike Expo, the China International Bicycle Exhibition, Canton Fair, etc.

We are looking for partners worldwide. Whether you are new or enthusiastic rider, you are warmly welcome to join us to enhance the world cycling experiences. If you need to represent Simino ebike in your country, we will give you full support from the beginning to the end. Let's work together hand in hand to create a green and healthy world through win-win business.

WHO WE ARE?

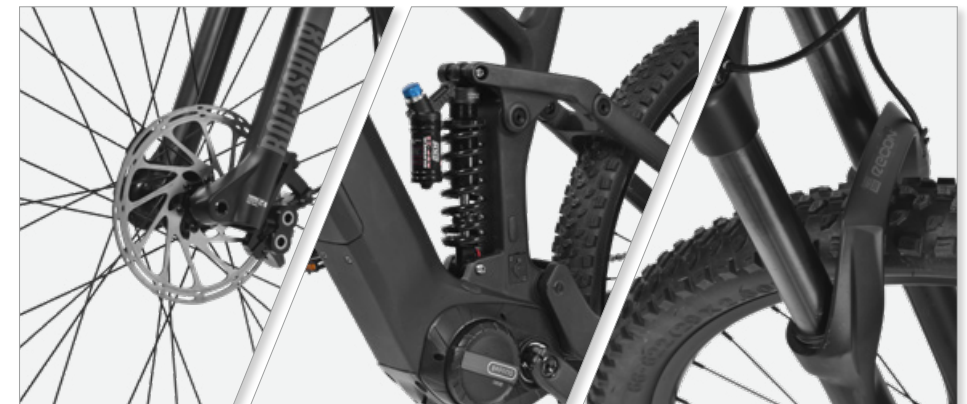

LIGHTSTRONG

Frame	Carbon Fiber	Brake	Magura MT5 Hydraulic brake set
Motor	Bafang M600 central motor 48V 500W	Gear set	Shimano SLX 12speed
